

FOR IMMEDIATE RELEASE

APRIL 09, 2021

2021 FLAG DAY INTERNATIONAL FARM FAIR

The government and people of American Samoa will celebrate the 2021 American Samoa Flag Day. As part of the celebration, the Department of Agriculture (DOA) will host the 2021 Flag Day International Farm Fair from April 14 to April 17 at the Veterans Memorial Stadium in Tafuna. Despite the Pandemic, the American Samoa Farmers have expressed their willingness to support and continue participating in the 2021 Flag Day International Farm Fair.

This year's event highlights food security and showcasing and supporting local farmers to display locally grown produce and product. The Farmers will show the locally grown produce such as Taro, ufi (yam), taamu (giant taro), fa'i (banana), vegetables, fruits, sweet potatoes, homemade floral arrangements, pot plants, and other crops and livestock. The local farmers and entrepreneurs will display different food dishes and recipes.

The Department of Agriculture, American Samoa Government, would like to invite the public to join us at the 2021 Flag Day International Farm Fair. It is four days with fantastic and healthy food, live entertainment, and agricultural appreciation.

Faafetai tele lava,

SOLIALEALOFI TAGALOA I.T. MUTINI
Director
Department of Agriculture
